

SOTHYS

PARIS

Setting the standards of professional beauty care for more than 60 years – SOTHYS is renowned for bringing advanced skin care and expertise to consumers exclusively through professional spas worldwide.

Scientists at SOTHYS France collaborate with universities and research laboratories in order to develop products and professional treatments with formulas combining well-being and technology for a positive transformation effect on the body and mind.

SOTHYS continues to set the pace with innovative collections featuring cosmeceuticals, marine & botanical actives and COMEBIO certified organics.

From Paris to New York and across the globe, SOTHYS is dedicated to the Beauty Industry. A global brand that transcends continents and cultures, represented in 20 000 spa's in over 115 countries worldwide
